神兽薛定谔的猫,

自动感应循环过滤流动水饮水器

Mythical Animal Schrödinger's cat,
an automatic induction circulation filtration flowing water dispenser

- USB 电源供电
- 直流低电压(DC12V 以下), 绝对安全
- 使用人类食品级材料
- 极度静音(低于 20dB)
- 流动活水,杂质过滤
- 猫来时自动感应,连续给水
- 猫离开后 2-3 分钟内自动关闭流水,有效减少细菌污染
- USB power supply
- DC low voltage (below DC12V), absolutely safe
- Human food grade materials used
- Extra mute (below 20dB)
- Flowing live water with impurity filtration
- Automatically sensed and continuous flowing water supplied when cat comes
- Automatically switching off flowing water within 2 to 3minutes after cat moves away, effectively reducing bacterial contamination
